Description of the offer:

1- Online store: www.heliotrop-fashion.com
MADE IN ROMANIA

If you want to sparkle in the street, at work, at events, at celebrations, we invite you to visit heliotrop-fashion.com and choose world class coats at Romanian prices!

They say that for coats we are the best.

2- HELIOTROP is a fashion design and manufacture company, producing women's wear. Our collections include a large range of products. However, we started with coats in '92, become very well known and loved because of our coats, and coats have given sparkle to our brand.

Currently we are expanding our operations abroad and would very much like to include more companies among our partners.

If you want to be suppliers of our online store, please contact us for details.

If you want us to work for you coats or different types of clothes: women's clothes, men's clothes, children clothes, etc., feel free to contact us. In case of big orders, we are prepared to work with subcontractors. We have all the necessary logistics to produce the same quality as you have seen on our website.

Please do not hesitate to contact us for any further information about our activity.

Our company is looking for new customers.
